“ I am rembering a cute little boy with blond hair and lots of energy, who shared fun memories with my boys...pre-school, birthday parties, little league baseball. He loved sports and was a natural athlete. Rest In Peace, Drew. Sending much love and sympathy to your Mom and brother, Tyler, family and friends...till you are together again one beautiful day. “ I always remember playing baseball and basketball with Drew growing up together. We had many sleepovers and basically grew up together until high school. He was my child hood best friend and there weren't many if any better athletes that I knew except maybe his brother Tyler. I always loved running into Drew and reminiscing of our childhood days and great memories. I love ya Drew and am so saddened that you're taken so soon.
